

1 So -- and then after that incident occurred
2 that produced that spatter, the underwear is pulled
3 back up to its normal posture and the pants are -- even
4 appear to be buttoned there. So that's an activity
5 that is always -- you know, I've always wondered what
6 it all meant. But it's an observation that I made as
7 well as -- well, Herb made it initially and I was able
8 to make the same observation many years later.

9 Q So there was -- there was blood spatter, then
10 the pants and the underwear were turned down exposing
11 the genitals, and then there was additional blood
12 spatter?

13 A From the location of the spatter on the
14 inside of the front of the underwear, if you get what
15 I'm talking about, the -- the genitals would have to be
16 exposed in order for that to occur.

17 Q And then afterwards the underwear and the
18 pants are pulled back up?

19 A And pants closed. Because there was spatter
20 on the inside of the pants, I believe on the right
21 side.

22 Q Now, if Mr. Zeigler is laying on Mr. Mays'
23 body with his arm region on the torso, wouldn't that
24 put his face in close proximity to the genitals of
25 Charlie Mays? If he's laying on his -- like this on
