

1 his side?

2 **A** I suppose. I mean, that's -- I'm not sure
3 where this is all going but I have no -- I have no --
4 anything else to report to you on that issue other than
5 what I've already told you.

6 **Q** Sure. Just another oddity in the case.

7 **A** That's out of my league.

8 **Q** That would be the position that he would be
9 in?

10 **A** It's a position.

11 **Q** Well, I mean the position that would give you
12 the bloodstains on this shirt coming from this sweater
13 would be exactly that position?

14 **A** You can't eliminate it but I wouldn't have a
15 lot of confidence to say that that was most likely or
16 anything like that.

17 **Q** I understand.

18 **THE COURT:** Mr. Ashton -- Mr. Ashton,
19 you want to take a recess for about 15
20 minutes?

21 **MR. ASHTON:** I'm probably -- I was just
22 going to ask Mr. Lerner if he had any
23 questions. Otherwise, I'm done. You want to
24 do that first?

25 **THE COURT:** Go ahead.
