

1 blood evidence has nothing to do with that.  
 2 It doesn't refute that in any way. The  
 3 evidence is that he purchased the guns. And  
 4 they're called the Rng model guns. This has  
 5 nothing to do with that.

6 He's on death row in this case because  
 7 the evidence showed that he secretly  
 8 purchased a large life insurance policy on  
 9 his wife shortly before the murder. This  
 10 blood evidence has nothing to do with that,  
 11 doesn't refute it at all.

12 He's on death row because Felton Thomas  
 13 said that Charlie Mays was there at his  
 14 invitation, that they went for a drive in  
 15 Mr. Zeigler's car, that Mr. Zeigler had him  
 16 test fire some weapons, that they returned  
 17 and that Mr. Zeigler and Mr. Mays walked into  
 18 the store together.

19 There's nothing in this blood evidence  
 20 that refutes that at all. Nothing.

21 Mr. Felton Thomas doesn't say, I know  
 22 when Perry Edwards was killed and I know this  
 23 was later. He doesn't know. Felton Thomas,  
 24 who the defense had been unable to impeach,  
 25 said that's what happened.
